AFFILIATE MARKETING SCHOOL

CHECKLIST

Affiliate Marketing School – Checklist

☐ Introduction

- ☐ Becoming an affiliate marketer is in many ways the perfect business model
- ☐ It *absolutely* is possible to earn a huge amount of money online as an affiliate marketer
- ☐ The problem with current affiliate teachings:
 - They don't want you to know the techniques they are actually using to get rich (newsflash: it's selling those books to you!)
 - They actually aren't that successful. That's because a large proportion of the people who are successful are already living on a sunny island somewhere and no longer need to sell eBooks!
- ☐ The intention of this book is to cut through the noise and give you the CORRECT way on how to become a successful affiliate marketer in today's world.
