81-Adding-YT-Thumbnails

The image shows a screenshot of a YouTube browser window. The address bar displays "https://www.youtube.com". The page features a navigation sidebar on the left with sections for Home, Trending, Subscriptions, LIBRARY (History, Watch later, The PLR Show D..., corporate spons..., Show more), and SUBSCRIPTIONS (Keysha Bass, Tiffany Poon, laurelkhpr, TechSmith). The main content area shows a "Recommended channel for you" section with "JRE Clips" and a grid of four video thumbnails. Below this is another channel, "Tiffany Poon", with a grid of four video thumbnails. A user account menu is open on the right side of the page, listing options: My channel, Paid memberships, Creator Studio, Switch account, Sign out, Dark theme: Off, Language: English, Settings, Help, and Send feedback. At the bottom, the Windows taskbar is visible with the search bar and various application icons. The system tray shows the time as 9:20 PM on 7/9/2018.
