

EFFECTIVE facebook MARKETING

THE 8 BEST FB PROMOTION METHODS!

Effective Facebook Marketing: The 8 Best FB Promotions Methods - Resource Sheet

Facebook Page Marketing (includes: content marketing / Contests – Photo tagging / invites / engagement contests)

- Login to your personal Facebook Account
- Click Your business page
- Click INSIGHT
- REVERSE ENGINEERING METHOD: Enter your competitors' business names and click the tab "Pages"

Pro tip: Use buzzsumo.com to find hot topics in your niche on Facebook – find the groups and pages sharing these the most

Facebook Group Marketing

- Use Google Keyword Planner Tool (accessible with an Adwords account) to find your niche keywords
- Enter your niche keywords into Facebook's Social Graph Search field
- Click the tab "GROUPS"
- ALTERNATIVE METHOD: Enter your competitors' business names and click the tab "Groups"

Influencer Page Outreach

Use Buzzsumo and enter your target keywords. Find content that fits your niche. Make sure these are the most popular in terms of social signals. Track down their target sites and pages/groups.
